Scratch and Check-in

The Positive Check-in sheets will be located at the scratch table in front of the glass office on the east side of the pool. If you will not arrive in time to make the deadline, coaches may check-in events via email to plewno@gmail.com, or as a last resort, send a text message to Pat Lewno at 262-939-4696. PLEASE be descriptive in your text message. Positive check-ins submitted by email must be completed by the deadlines listed below.

The following are the positive check-in deadlines

Deadline for Thursday	Wednesday by 6:30 PM
Deadline for Friday	Thursday by 6:30 PM
Deadline for Saturday	Friday 6:30 PM
Deadline for Sunday	Saturday 6:30 PM

Any swimmer who does not complete positive check-in for an event they have entered, will be seeded into that event with the slowest non-conforming time standard. There will be no penalty if this swimmer fails to compete in that event.

Relays: Deadlines for relay cards will be posted and announced throughout the meet. Swimmer names and the order of the swimmers must be listed on all relay cards. Relay-only swimmers (13-14 first relays only) must be included on your meet entry. Additional relay-only swimmers may be added during the meet, *but must be entered in the meet management office at least 30 minutes before the start of the session in which they swim.*

A relay team member failing to appear ready to swim for the relay event shall be barred from the next individual event in which the swimmer is entered, on that day or the next Meet day, whichever is first. The relay team members who do appear ready to swim shall not be penalized for failure of the other team members to appear.

Declared False Start (DFS): A DFS can be made by the coach or swimmer to the Administrative Referee or Deck Referee at any time prior to the start of a heat in which the swimmer is seeded, in an event for which they have checked in or failed to scratch during the preliminary sessions.

A DFS may be made in a Timed Finals event and for swimmers in the fastest heat swimming with Finals in a Timed Finals event. No explanation for the DFS is warranted, and all requests shall be granted. A DFS is a disqualification for the swimmer.

DFS is not allowed in Finals. If a swimmer fails to compete in finals (except due to injury, illness or circumstances beyond the control of the swimmer, as determined by the Referee), it is a failure to compete and the swimmer is barred from the remainder of the meet.

Scratching from Prelims: Swimmers may scratch from an event in which they are entered by submitting a scratch form to the clerk of course (scratch box) prior to the deadlines shown below.

The following are the scratch deadlines for each days events:

Deadline for Thursday	Wednesday by 6:30 PM
Deadline for Friday	Thursday by 6:30 PM
Deadline for Saturday	Friday 6:30 PM
Deadline for Sunday	Saturday 6:30 PM

The scratch box will be located at the scratch table in front of the glass office. If you will not be arriving in time to make the deadline, coaches may scratch events via email to plewno@gmail.com. Scratches submitted by email must be completed by the deadlines listed above.

In all events where preliminary heats are necessary, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which such swimmer is entered and has not been scratched will be barred from the next individual event in which the swimmer is entered, on that day or the next Meet day, whichever is first. The application of this penalty shall pertain to the order in which the event/heats are swum, not the numerical order of the events.

No penalty shall apply for failure to withdraw or compete in the Prelims or Timed Finals heat of an individual or relay event if the swimmer or coach notifies the Administrative Referee or the Deck Referee prior to the swimmer's assigned heat of a Declared False Start.

Scratching From Finals:

Scratches from Finals shall be made with the Administrative Referee (or designee) located at the scratch table in front of the glass office on the east side of the pool. NOTE: Do not use the scratch box to scratch from Finals. Finals shall include those events in a preliminary-finals competition but swum as a timed finals, with the fastest heat swimming in Finals.

A Declared False Start is allowed in Timed Finals events swum in the preliminary session and also in the fastest heats swum with Finals.

Any swimmer qualifying for a Consolation Final or Championship Final race in an individual event who fails to compete in said Consolation Final or Championship Final race shall be barred from further competition for the remainder of the meet. Disqualification under this section shall apply only to swimmers qualifying based on the original preliminary results. However, if a swimmer or coach is notified that the swimmer has scratched into a Consolation Final or Championship Final race in an individual event, accepts the position, and then fails to compete, the swimmer shall be barred from further competition for the remainder of the meet.

In the event of withdrawal or barring of a swimmer from competition, the Meet Referee shall fill the Consolation Final or Championship Final when possible with the next qualified swimmer(s). First and second alternates shall be announced along with the Final qualifiers. These alternates shall not be penalized if not available to compete in Finals.

When Consolation Finals have not yet been swum and a barring or withdrawal is known to the Meet Referee, the Meet Referee shall reseed the Consolation Final and Championship Final, if necessary, by inserting the alternate(s) in the appropriate lane(s), filling all lanes in the Championship Final race. If a Consolation Final has been contested, the companion Final shall be swum without reseeding for empty lanes.

Exceptions for Failure to Compete in Finals: No penalty shall apply for failure to withdraw or compete in an individual event if:

- 1) The Referee is notified in the event of illness or injury and accepts the proof thereof.
- 2) A swimmer qualifying for a Consolation Final or Championship Final race based upon the results of the preliminaries notifies the Referee within thirty (30) minutes after announcement of the qualifiers for that race that they may not intend to compete and further declares their final intentions within thirty (30) minutes following their last individual preliminary event.
- 3) It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.
